EXCAVATION AFFIDAVIT

New York State Rule 753 requires that no person shall commence or engage in any excavation or demolition unless and until they have served timely notice as provided in the law to operators (Utility's) who maintain underground facilities in the Town of Smithtown.

753-1.1 Purpose. The purpose of these rules is to establish procedures for the protection of underground facilities in order to assure public safety and to prevent damage to public and private property, as required by General Business Law Article 36 and Public Service Law Section 119-b. This Part may be cited as Industrial Code 53 or Code Rule 53, in addition to its designation as Part 753.

SUBPART 753-2 DUTIES OF LOCAL GOVERNING BODIES

753-2.1 Provision and Display of Notice. Any local governing body that issues permits for excavation and demolition shall provide a notice to applicants for permits that informs them about their responsibilities under state law to protect underground facilities and the existence, operation, programs and telephone number of the one-call notification system. Every such local governing body shall continuously display such notice in a conspicuous location in the office or agency it designates.
