

Bullying/Cyber-Bullying Committee Meeting Summary:
Public Service Announcement Planning Meeting
March 5, 2018
Horizons Center Community Room

*Keeping Our Youth & Families Safe...
Physically & Emotionally Healthy & Free of Substance Abuse*

Meeting highlights:

-Roundtable introductions were made.

-Overview was given of the Youth and Community Alliance (three committees) and the previous bullying/cyber-bullying committee meeting.

-Public Service Announcement (PSA) Planning:

The group looked at the draft story board that had been developed by all group members. Kenny B. said it is ready to be produced into the PSA. He will make the edits after it is filmed. We still need to look into the requested song, to see if we can get approval.

The filming will be done at Smithtown H.S. West, after school at 3 PM. Filming will take a few hours to complete. Kenny B. will bring an assistant to help. Students can help too. A filming date still needs to be determined. The tentative time frame is early/mid- April. Kenny B. will let us know what works for his schedule (probably Tues, Wed, or Thurs).

All participants must sign a release form to be on filmed. Once the PSA is in production we can add voiceovers to it. The crumpled paper which is used in certain frames, should have words on them such as: "Stop Bullying", "Be Helpful, Not Hurtful", etc.

The actors will be picked randomly for roles. We will place their names in a hat for each part, and pick the actors to play parts that way. Anyone not able to attend the meeting can email their preference to us.

-Next Steps:

Horizons and Youth Bureau will email all interested people to find out their preference for roles in the PSA. They can email their top three picks. We will pick the roles at the general membership meeting on 3/20. Kenny wants a meeting with the actors before filming takes place.

The next **Alliance General membership Meeting** will be held on Tuesday, March 20, 2018 at 4:30 PM at the Smithtown Library, Main Branch.

Town of Smithtown Youth & Community Alliance

"To promote the health and wellness of our young people; mobilize schools and communities; and utilize resources to create and sustain an environment where destructive decisions and substance abuse are reduced"
