

Healthy Relationships Committee Meeting
April 17, 2018 - 4:30 p.m. - 5:30 p.m.
Horizons Center Community Room
*Keeping Our Youth & Families Safe...
Physically & Emotionally Healthy & Free of Substance Abuse*

Meeting Highlights:

- Roundtable introductions made.**
- Brief overview was given of the formation of the committees and the previous Healthy Relationships meeting.**
- Effective Communication Workshop Report:**

So far there are 33 people registered for the presentation. There are families from throughout the township. The group went through the PowerPoint presentation. It is similar to the past presentation that was held in November at Kings Park HS. Additional feedback for what to add was given at the last general membership meeting. Information about children growing up and needing independence and the use of technology as a form of communication for young people will be included. There will be opportunities for youth and adult volunteers to take part in skits for the presentation. Gail Feldman will be co-facilitating the evening with us again. Madi found a communication worksheet that will be given out to the audience. The group looked it over and approved of it.

-Next Steps: If anyone has additional information for the PowerPoint or would like to volunteer for roles in the workshop please email Kelly or Stacey.

The **Family Communication Workshop** will be held on *Thursday May 3, 2018* at Hauppauge HS (Library) from 7-8:30 pm.

Youth & Community Alliance of Smithtown

“To promote the health and wellness of our young people; mobilize schools and communities; and utilize resources to create and sustain an environment where destructive decisions and substance abuse are reduced.”
