

Please fill out these forms ONLY if your child has allergies that DO NOT require an Epi-Pen.

TOWN OF SMITHTOWN SCHOOL AGE CHILD CARE
2021/2022 MEDICAL REPORT FORM INSTRUCTIONS

* Please note: We are unable to dispense Benadryl.

According to New York State Office of Children and Family Services, these are the only forms that will be accepted and must be completed entirely. Unfortunately, School District forms cannot be accepted. All medical forms (a total of 3 pages) are due in our office no later than August 1st.

Please follow instructions below:

1. Medical Report Form: Must be filled out completely, signed, stamped and dated by Physician. Physical is not required if child has had one within the last 2 years.
2. Individual Health Care Plan: Page 1: Must be filled out by parent in its entirety. *Parent must outline a detailed description of allergies including symptoms.
 - Page 2: Parent must sign and date bottom portion of form.

All forms must be filled out according to instructions or it will not be accepted as per OCFS Regulations.
