TOWN OF SMITHTOWN

Dear Residents,

Smithtown is home to a wealth of pristine beaches, parks and facilities, where our recreation programs are offered every year. From cultural and historic sites to family beaches & parks, the Town of Smithtown is pleased to afford our residents access to some of Long Island’s most stunning natural resources to pursue favorite leisure pastimes, regardless of age or interest.

Smithtown’s appeal as a prominent town to live and raise a family continues to grow stronger with every year. With this distinction in mind, it is our pleasure in writing this letter, encouraging all residents to take advantage of our impressive line-up of recreation programming and events.

Online registration is available through the Smithtown Recreation Department for all programs, to provide residents with the ease of access and convenience, ensuring your choice of the many programs available.

Spend the day at Hoyt Farm Park in Commack, where you can catch one or all of the Summer Concert Series. Soak in the sun at one of our premiere family beaches in Fort Salonga and Saint James. Take advantage of our network of 20 neighborhood playgrounds and over 38 athletic fields for youth and adult recreation or experience our diverse cultural and historic sites.

Over the last few years, we have been busy renovating many of our local parks and the facilities located at our beaches. We’ve made improvements to all of our water spray parks. We have also constructed beautiful new state-of-the-art playgrounds and facilities at Gibbs Pond, Gaynor, Brady, Moriches and Morewood Parks. A new playground at Kings Park Memorial Park will also be ready for families to enjoy by the time the weather warms up. I’m also very pleased to announce that Flynn Memorial Park baseball complex reconstruction is on schedule. The complex is scheduled to open officially in spring 2021.

Suggestions and comments regarding programming are welcome via the Smithtown Recreation Department at the Paul J. Fitzpatrick Municipal Golf Course and Pool Complex at 495 Landing Avenue, by phone at 631-360-7744 or email at Recreation@tosgov.com

Information on Town of Smithtown Parks and Beaches may be obtained by calling the Smithtown Parks Department at 631-269-1122 or by visiting www.smithtownny.gov.

Edward R. Wehrheim, Town Supervisor

Due to COVID-19 the recreation department has implemented the following safety procedures for 2021 summer camps.

• Each day, upon arrival at camp every staff member and camper will be given a temperature check. Campers and counselors with a temperature over 100 degrees Fahrenheit will not be permitted to attend camp that day.

• If your child is feeling ill before camp we ask that you do not send them to camp.

• On the first day of camp each child will be assigned a group (with no more than 10 campers). This group will be together with the same counselors for the duration of the camp.

• There will be designated areas for pick-ups and drop-offs that will limit contact to the extent possible. There will be signs posted, as well as staff, to help direct you.

• There will be no non-essential visitors on site, to the extent possible.

• All employees will be wearing face coverings, unless NY state guidelines change.

• It is not required for campers to wear a mask. You can choose to have your child wear one.

• All activities will focus on minimizing physical contact.

• Hand sanitizer and soap/water will be provided. All staff and campers will be asked to sanitize their hands immediately upon entering the camp. They will be asked to wash and or sanitize their hands throughout the day. Some examples of this may be:
  o between all activities
  o after use of the restroom
  o before and after eating
  o before departing camp

• Shared and frequently touched surfaces will be disinfected throughout the day by the staff.

• We ask that campers do not bring any games/toys/equipment from home.
• All staff has been trained on the State’s protocols.

• If a camper or a member of their household becomes symptomatic for COVID-19 and/or tests positive, the child must quarantine and may not return to camp until a 10 day quarantine is complete.
  (The above is subject to change in accordance with NYS guidelines.)

Each session runs for two weeks, Monday through Thursday. The Advanced Camp, held at Browns Road Park in Nesconset, is offered for two sessions for ages 12 - 15 years. Each session runs for two weeks, Monday through Thursday. Camps will not operate on rainy days. Rain days will be made up on Fridays. Minimum and maximum registration limits apply.

Our camps offer the following highlights: T-shirt, awards, trophies, and top-notch instruction. Pitching machines, radar gun and high quality equipment insure for proper teaching of hitting, pitching, catching, fielding and base running techniques. The 7 and 8 year-old segment will feature less formal instruction and more playing time to make the camp a fun experience for beginners. **There will be a maximum of 24 accepted into this age group.** Campers are asked to bring lunch and beverages in coolers. **Session 1 starts Tuesday, July 6 and will run thru Friday for first week.**

**SHATTERPROOF LENSES ARE MANDATORY FOR ALL PARTICIPANTS WHO WEAR EYEGASSES.**
